Getting IBM Cloud Feature Code:

Creating a IBM Cloud Account:

The screenshot shows the IBM Cloud registration page in a web browser. The URL is `cloud.ibm.com/registration/signupRequired=true&email=niralpandyan123_cs%40mepcoeng.ac.in`. The page has a dark theme with a blue gradient background. On the left, there's a form titled "Create an IBM Cloud account". It includes a link for existing users to "Log In". The "Account information" section shows the email `niralpandyan123_cs@mepcoeng.ac.in`. The "Verify email" section states that a 7-digit verification code was sent to the email and is valid for 30 minutes. The code `9783426` is entered in a text field. Below the field are "Next" and "Resend code" buttons. On the right, promotional text offers a "USD 200 credit" and a "free" account creation. A "Continue" button is at the bottom left. The browser's taskbar at the bottom shows the date as 10/17/2022 and the time as 3:45 PM.

Entering the Feature Code:

The screenshot shows the IBM Cloud dashboard after account creation. The URL is `cloud.ibm.com/#`. A modal dialog titled "Apply code" is open in the center. It instructs the user to enter a feature code, stating it can only be used for one account. The code `bed9f6c349cd47310013e113805f8e26` is entered in the "Enter code" field. Below the field, the "Account ID" is displayed as `1d9fa5be55264b539ecde7644529cdc2`. A "Processing your information..." indicator is shown at the bottom of the dialog. The background dashboard shows a "Finish setting up your account" banner with a "\$200 credit" offer and a "Build" section with tutorials. The browser's taskbar at the bottom shows the date as 10/17/2022 and the time as 3:56 PM.

IBM Cloud:

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'Nirai Pandiyan P's Acco...'. A 'Create resource' button is prominently displayed in the top right.

The main content area is titled 'Dashboard' and features a 'For you' section with a horizontal scroll of six tutorial cards:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 5 min)
- Monitor your resources**: Get visibility into the performance and health of your resources. (Popular, 2 min)
- Use Watson Assistant**: Watson Assistant lets you build conversational interfaces into any application, device, or channel. (Recommended, 5 min)
- Smart Document Understanding Demo**: Check out this Smart Document Understanding demo to learn how this powerful feature allows you to visually apply structure to your documents. (Getting started, 10 min)
- Set up your IBM Cloud account**: Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (Getting started, 15 min)
- Build a web app with Watson Speech to Text**: Deploy a conversational interface compatible with any application, device, or channel.

Below the 'For you' section, there are three main panels:

- Resource summary**: A table with columns for resource type, name, and status. It currently shows three rows of placeholder data.
- Planned maintenance**: A section for viewing upcoming maintenance events.
- IBM Cloud status**: A world map showing the global status of IBM Cloud services, with a 'Go to Settings' link.

The bottom of the dashboard shows a system tray with weather information (86°F, Raining now), a taskbar with various application icons, and a clock showing 3:57 PM on 10/17/2022.
